Mr. Schenck will stop in Hilo on June 29 to attend the annual conference.

The Mauna last Tuesday carried away Rev. and Mrs. Frank S. Scudder. They will be on a vacation until September, visiting places in the East as well as on the Pacific coast. During Mr. Scudder's absence, Rev. John P. Erdman will act as superintendent of the Japanese department.

World's Strides In Temperance

Bavarian Drunkards Work.

The drunkard who depends upon public charity to take care of him when he is no longer fit to work is getting a jolt in Bavaria. The applications for poor-relief in that country, according to an article in the Munich Medical Weekly, come most frequently from the drunkards, those afflicted with what the Germans call "trunksucht," a mania or craving for drink. In order to stop this drain upon the poor funds a law has been passed providing that persons applying for poor relief must accept some line of work that will be given them to do. If they are unwilling to do this or fail to work aid may be refused or they may be arrested and committed to a house of correction or workhouse. If they are unable to work they may be committed to an institution where a measured amount of work will be a part of their treatment.

When the Building and Common Laborers' Union of Cincinnati, Ohio, struck in support of their demand for better working conditions the first thing decided by the men was that they would remain out of saloons during the strike. This is considered one of the strongest assets of the workers, and the rule, voluntarily self-imposed, will be rigidly observed.

All advertisements posted or distributed in the city of Montevideo, Uruguay, are subject to a municipal impost. Advertisements of alcoholic beverages are made subject to an additional tax of 10 per cent of the regular schedule.

Social Clubs Closed. One of the most sweeping reforms inaugurated in Luna country, New Mexico, was started when Sheriff Simpson served notice on the proprietors of eight social clubs at Columbus that they were to close their places of business and keep them closed. Since Columbus voted out the saloons about two years ago the town has seen the birth of several clubs, and until recently the thirty residents of the border town had their needs supplied by one or two of the social clubs, but with the coming of immense numbers of soldiers other clubs sprang up almost over night until eight of them were running full blast.

An ordinance has been introduced in the city council of Columbus to prohibit cabaret performances in places selling intoxicating liquors. The measure if passed will affect several hotel grills and other places. It provides that no place where liquor is sold shall have any side, rear or upstairs rooms not open to public view.

Chicago Drinks Less Beer. Records for the month of April compiled by the collector of customs, show in April this year there were 79,959 fewer barrels of beer consumed in Chicago than in the same month last year. The government collected tax on 463,448 barrels of beer in this district in April of this year. In the same month last year it collected tax on 474,467 barrels.

Ordered to the Front. Minister of Munitions Albert Thomas of Paris has issued instructions that any munition workers found under the influence of alcohol shall immediately be sent to the fighting line to get out of temptation. His action is prompted by the fact that there has been a diminution in the output of munitions due to excessive drinking.

Poor Old John. The manager of a large circus is quoted as having said: "We do not

of Honolulu, where he will labor especially among the English-speaking young Japanese. Mr. Okumura arrived on the Matsushima Wednesday.

Plans are being made for the opening of the Hawaiian Board Bible School in September. The lectures and recitations will be conducted in the Mission Memorial building, and the boarding and dormitory departments will be carried on in some suitable location nearby. Whereas last year 12 students were enrolled, it is likely that at least fifteen students will be in the school next year. Under the leadership of Rev. John P. Erdman the Bible school has now become an important factor in training young men for the ministry. Next year Mr. Erdman will have to assist him in the work Rev. N. C. Schenck, Rev. F. S. Scudder, Miss M. Caborn, Rev. J. L. Hopwood, Rev. A. Akana and Rev. H. P. Judd.

Theodore Richards and Rev. S. K. Kamalopili left on the Kilauea Wednesday for Lahaina to deliver addresses at the closing exercises of the Lahaina-Luna seminary. They returned to the city this morning.

Quite a number of the delegates to the annual meeting in Hilo will leave on the Mauna Kea this afternoon, but the larger number will go next Wednesday, June 28. Probably more than 300 delegates will be on that voyage.

Directly after the conference Messrs. Akana, Richards, Judd and Schenck will make an evangelistic tour in the Hilo and Hamakua districts, being joined later by Rev. J. P. Erdman, who will visit Maui right after the convention to assist in the dedication of the Paia Japanese church and the ordination of its pastor, Mr. J. Fukuda.

'BILL' DREIER TO BE SPEAKER AT M. E. CHURCH

"Big Bill" Dreier, who for two years has had the intermediate boys' work at the Y. M. C. A., is to be the speaker at the First Methodist church tomorrow evening. Mr. Dreier leaves next week for the mainland, where, next fall, he will enter the Rochester Theological Seminary at Rochester, N. Y.

During the years he has been here he has been active both in the Sunday school and Epworth League of the Methodist church, and his friends there were very anxious that he should speak at one of the services before leaving. His athletic achievements and his keen interest in young men have made him especially popular with them.
